IBBI orders strict insolvency professional vigilance

On 9 September 2026, the Insolvency and Bankruptcy Board of India issued Circular No. IBBI/CIRP/105/2026 directing resolution professionals to detect corporate misuse. The circular targets tactics like tax avoidance, regulatory bypass, and strategic single-creditor assignments.

THE READ

Resolution professionals face heightened personal and professional liability risks under the new directive. NCLT benches will likely increase scrutiny on strategic or potentially abusive insolvency filings.

Supreme Court remands Cairn India buyback fraud case

On 9 September 2026, the Supreme Court remanded SEBI versus Cairn India Limited and Vedanta Limited to the Securities Appellate Tribunal. The bench directed fresh adjudication on whether 2014 share buyback announcements constituted fraud under SEBI PFUTP Regulations.

THE READ

The verdict-first implication is that the substantive market manipulation and disclosure charges remain unresolved rather than dismissed. The tribunal must re-examine the evidentiary record within a strict six-month window.

FIU-India targets offshore crypto platforms under PMLA

On 9 September 2026, the Financial Intelligence Unit issued compliance notices under Section 13 of the Prevention of Money Laundering Act to 15 virtual digital asset providers. The targeted entities include platforms like Weex, Bitunix, and WhiteBIT operating without domestic AML registration.

THE READ

Regulatory strategy has shifted toward combining statutory PMLA proceedings with direct app-store removal and domain-access blocks. Offshore operators serving Indian users without domestic registration face immediate structural exclusion.

GRT Jewellers proposes ₹1,034 crore acquisition of TBZ

On 9 September 2026, GRT Jewellers announced a proposal to acquire a 74.12 percent stake in Tribhovandas Bhimji Zaveri Limited for approximately ₹1,034 crore. The transaction includes a mandatory open offer for up to 25.88 percent of public equity under SEBI takeover regulations.

THE READ

The deal consolidates India's organised jewellery retail sector under a single dominant regional player. Minority public shareholders gain a clear exit path through the mandated open-offer structure.

Motilal Oswal invests ₹600 crore in KARAM Safety

On 9 September 2026, Motilal Oswal Alternates invested ₹600 crore in KARAM Safety Private Limited through its India Business Excellence Fund V. The capital injection is earmarked to finance a targeted international expansion and global M&A strategy.

THE READ

Growth-stage private equity is actively deploying capital into specialized Indian industrial platforms aiming for cross-border scale. Domestic manufacturing champions are leveraging domestic funds for outbound acquisition pipelines.

THE THROUGH-LINE

India is regulatory and transactional landscape is undergoing aggressive consolidation and enforcement across all vectors. Regulators like the IBBI and FIU-India are tightening compliance perimeters on insolvency professionals and offshore entities alike, while strategic capital continues to drive domestic corporate M&A and cross-border expansion. Legal strategists must navigate heightened personal liability risks and more stringent procedural hurdles in both enforcement defense and deal structuring.
