ED attaches Rs 2.69 crore in highway scam

On 14 August 2026, the Enforcement Directorate provisionally attached two immovable properties and two fishponds belonging to Nyakpo Yangfo in Arunachal Pradesh. The properties are alleged proceeds of crime linked to the Lada-Sarli Frontier Highway land-acquisition-compensation probe.

THE READ

This action extends anti-money-laundering scrutiny directly into public infrastructure land acquisition. Prosecutors are targeting traceable real estate assets rather than solely focusing on the underlying compensation disbursement process.

NCLAT disposes appeal in JSW Mahanadi dispute

On 15 August 2026, the National Company Law Appellate Tribunal disposed of an appeal after JSW Mahanadi Power Limited and Raigarh Champa Rail Infrastructure filed a joint memo confirming an amicable settlement. JSW Energy controls both corporate entities following separate insolvency processes.

THE READ

This outcome provides a clean appellate-stage exit in a post-insolvency, intra-group commercial dispute. The tribunal readily accepted consensual resolution to formally close pending litigation.

Centricity raises Rs 280 crore Series A

During the week ending 15 August 2026, Gurugram-based wealth management platform Centricity completed a Rs 280 crore Series A financing round. The investment was led by SMBC Asia Rising Fund to expand platform operations.

THE READ

This transaction channels significant Japanese strategic financial capital into Indian wealth management infrastructure. Regulatory compliance, distribution architecture, and product governance will remain central diligence priorities.

Acclime acquires three accounting practices

On 14 August 2026, Acclime India announced the full acquisition of BMC SAAS, VSPV & Co., and Nanubhai Desai & Co. through Business Transfer Agreements. Employees and key management personnel transitioned directly to the Acclime platform.

THE READ

Using Business Transfer Agreements instead of share purchases highlights a practical roll-up strategy in professional services. Transaction structures must carefully navigate employee retention, client consent, and tax liabilities.

SEBI issues order in IOCL insider trading probe

On 13 August 2026, the Securities and Exchange Board of India published an enforcement order under Section 15I(3) of the SEBI Act regarding suspected insider trading in Indian Oil Corporation shares. The adjudication addresses trading activity by certain entities.

THE READ

This publication represents a direct adjudicatory enforcement step concerning a blue-chip PSU issuer. It underscores active regulatory surveillance in sensitive scrips independent of general policy consultations.

THE THROUGH-LINE

This week legal and regulatory developments highlight active enforcement across public infrastructure and securities markets alongside steady corporate dealmaking. Regulatory bodies continue to scrutinize financial flows from infrastructure land acquisition proceeds to corporate trading activities. Meanwhile, private capital transactions and professional service consolidations demonstrate sustained commercial momentum despite the holiday weekend.
