NCLAT orders fresh insolvency process for Gujarat Hydrocarbons

The National Company Law Appellate Tribunal set aside the Zaveri Group resolution plan for Gujarat Hydrocarbons and Power SEZ Ltd on August 31, 2026, citing flawed or incomplete information. The resolution professional and NCLT must restart the corporate insolvency resolution process from the issuance of a fresh Form G.

THE READ

Insolvency practitioners must ensure complete and verified information memoranda before plan approval. Flawed asset data remains a primary trigger for appellate intervention and process resets.

REGULATORY · SEBI MUMBAI

SEBI gives NSE final observations for proposed IPO

SEBI issued its final observations to the National Stock Exchange on September 4, 2026, clearing the regulatory path for a public issue of approximately 149 million equity shares. State Bank of India is reportedly considering the sale of 2.47 crore shares to generate around 4,950 crore rupees.

THE READ

This regulatory clearance unlocks a major strategic milestone after previous judicial delays. Exchange governance and listing preparations can now proceed to final filings.

Supreme Court declines to interfere with bail in PMLA case

The Supreme Court on September 5, 2026, declined to interfere with the Madras High Court bail order for former DMK functionary Jaffer Sadiq and his brother in an Enforcement Directorate money-laundering prosecution. The Court expressed reservations about the High Court reasoning while refusing to disturb the relief.

THE READ

The ruling limits immediate custodial challenges by enforcement agencies without establishing a merits precedent. Defense counsel can leverage high court liberty protections despite judicial skepticism.

Nykaa completes acquisition of additional stake in Earth Rhythm

FSN E-Commerce Ventures completed the acquisition of an additional 24.2 percent stake in personal care brand Earth Rhythm for a cash consideration of up to 9.4 crore rupees on September 5, 2026. Procedural documents were executed and equity shares credited to the demat account.

THE READ

Strategic incremental investments require clean closing execution and immediate depository transfers to consolidate subsidiary value. Consummated filings mitigate post-merger compliance friction.

M&A · CORPORATE PHARMA

05 / 05

RPG Life Sciences acquires Raghava Life Sciences API business

RPG Life Sciences agreed to acquire the active pharmaceutical ingredient and intermediates business of Raghava Life Sciences for 135 crore rupees on September 4, 2026. The corporate transaction is intended to expand manufacturing capacity and product portfolios.

THE READ

Asset acquisitions in the pharmaceutical sector offer targeted capacity expansion without legacy corporate liabilities. Deal structuring must account for smooth operational transition and regulatory licensing transfers.

THE THROUGH-LINE

Corporate restructuring, regulatory clearances, and strategic acquisitions dominated legal strategy developments this week. Appellate scrutiny over insolvency transparency and appellate restraint in criminal bail underscore the shifting judicial balance. Practitioners must prioritize procedural rigor across both corporate transactions and contentious proceedings.
