SECURITIES · SEBI SOUTHERN REGIONAL OFFICE

SEBI sells SecureKloud promoter shares to recover penalties

On 9 November 2026 SecureKloud Technologies disclosed that SEBI's Southern Regional Office had sold attached shares of promoters Suresh Venkatachari and R. S. Ramani to recover unpaid penalties, acting on a Securities Appellate Tribunal order dated 6 March 2026. Venkatachari's stake slipped from 42.13 to 42.08 percent and Ramani's from 1.23 to 1.19 percent, with the company reporting no change in management or control.

WHO IS EXPOSED · WHAT TO CHECK

Promoters of listed companies with any unpaid SEBI penalty are exposed, because the regulator can attach and sell your personal shares rather than wait for you to pay. Check this week whether any SEBI or SAT order against you or a co-promoter still has an unpaid amount, and whether your demat holdings already carry an attachment mark.

ENFORCEMENT · ED SRINAGAR ZONAL OFFICE

ED attaches ₹10.63 crore of family-held J&K property

On 9 November 2026 the Enforcement Directorate announced the provisional attachment of 11 land and building assets in Srinagar and Bandipora worth ₹10.63 crore in its PMEGP loan fraud investigation naming Hilal Ahmad Wani, suppliers, brokers and a J&K Bank official, acting on CBI anti-corruption FIRs. ED alleges that ₹11.37 crore of loan money was routed through multiple accounts and partly spent on building or renovating property held in the names of family members, with linked bad loans of about ₹32 crore; a provisional attachment is a freeze at the investigation stage, not a finding of guilt.

WHO IS EXPOSED · WHAT TO CHECK

Business families whose relatives hold property funded even partly from a company's bank borrowing are exposed, because ED can freeze those assets long before any court decides the case. Check this week whether any family-held property was built or improved with money that left a borrowing company's account, and whether that money is documented as salary, dividend or a loan.

M&A · PRIVATE TRANSACTION

BDR Pharma buys control of Acme's oral solids business

The Hindu BusinessLine reported on 9 November 2026 that BDR Pharma will acquire a controlling stake in Acme Formulation's oral solid formulations business and its subsidiaries from shareholders led by private equity firm PAG, with sources valuing the business at about ₹2,370 crore or 250 million dollars; o3 Capital advised BDR. PAG and founder Viral Shah retain full ownership of the separate sterile injectables business Immacule, and completion of the deal has not been reported.

WHO IS EXPOSED · WHAT TO CHECK

Founders with a private equity partner on the cap table are exposed to a carve-out sale where the investor chooses which business is sold and which is kept. Check this week what your shareholders' agreement says about drag-along rights, carve-outs and who controls the sale of a single business line.

INSOLVENCY · NCLAT NEW DELHI

NCLAT keeps Kapoor-linked Imagine companies in insolvency

LiveLawBiz reported on 9 November 2026 that NCLAT New Delhi dismissed appeals by Bindu Kapoor against Mamta Binani and J.C. Flowers Asset Reconstruction, upholding NCLT Delhi's 7 April 2026 order admitting Imagine Estate, Imagine Home, Imagine Residence and Imagine Habitat, all linked to Rana Kapoor, into insolvency. The tribunal held that documents styled as hypothecation deeds, which pledge assets as security, in fact created corporate guarantees, since they bound the companies jointly and severally to repay Bliss House's ₹105 crore facility and further facilities totalling ₹596 crore and to make good any shortfall.

WHO IS EXPOSED · WHAT TO CHECK

Promoters whose group companies signed security documents for a sister company's loan are exposed, because the tribunal reads the repayment promise and not the title on the document. Check this week every hypothecation or security deed your group entities signed for another company's debt and look for joint and several or shortfall clauses.

PERSONAL INSOLVENCY · NCLT MUMBAI

Dhoot's estate vests in bankruptcy trustee on SBI plea

By an order dated 5 November 2026 and reported on 9 November 2026, NCLT Mumbai declared former Videocon promoter Venugopal Nandlal Dhoot bankrupt on State Bank of India's plea after his personal insolvency resolution process and repayment plan failed, with SBI's claim at about ₹12,668 crore as at 30 September 2026 under personal guarantees for Videocon's loans. The bench of Vinay Goel and Charanjeet Singh Gulati appointed Asish Narayan as bankruptcy trustee and directed that Dhoot's estate vest immediately in the trustee for administration and distribution to creditors.

WHO IS EXPOSED · WHAT TO CHECK

Promoters who signed personal guarantees for company loans are exposed, because once a repayment plan fails a trustee takes title to everything in your name, including the family home and your shares. Check this week which guarantees you have personally signed, whether any lender has invoked them, and what sits in your own name versus a trust or a spouse.

THE THROUGH-LINE

Every item today shows a lender, regulator or investor reaching past the company into what the promoter and family actually own: listed shares, family land, group entities and the personal estate. The documents you signed years ago decide how far that reach goes, so read them now rather than when the notice arrives.

If any of these touches your company or family, message me the number. I will tell you where you stand.
