ED Searches Tashee Group Over PMLA Violations

On 19 and 20 August 2026, the Enforcement Directorate surveyed seven Delhi-NCR premises linked to Tashee Land Developers and connected entities. The agency alleges the group misappropriated roughly 120 crore rupees, including 98 crore rupees from the SWAMIH Fund, after failing to deliver possession to over 600 homebuyers.

THE READ

This enforcement action introduces severe criminal liability and a live PMLA overlay to stalled real estate assets. Resolution professionals and creditors must now navigate potential asset freezes alongside ongoing insolvency proceedings.

NCLT Sanctions Share India And Silverleaf Amalgamation

On 20 August 2026, the Ahmedabad Bench sanctioned the amalgamation of Silverleaf Capital Services into Share India Securities with an appointed date of 1 October 2023. The transaction features a share exchange ratio of 500 fully paid shares of Share India for every one share of Silverleaf, with Silverleaf dissolving without winding up.

THE READ

Listed market consolidations involving high-frequency trading capabilities proceed smoothly when structured with clear exchange ratios. However, transferee entities inherit pending regulatory liabilities, requiring rigorous due diligence prior to scheme finalisation.

CtrlS Secures 250 Crore Rupees Private Investment

On 21 August 2026, Hyderabad-based CtrlS Datacenters disclosed a 250 crore rupee primary capital infusion from Nikhil Kamath and Sreeram Reddy Vanga. Kamath contributed 200 crore rupees and Vanga provided 50 crore rupees to scale up AI and cloud infrastructure capacity.

THE READ

Domestic private capital continues to aggressively back hyperscale infrastructure following major institutional commitments. This transaction bolsters data center expansion without altering existing regulatory or judicial debt frameworks.

Creditors Initiate Fresh CIRP For Two Companies

On 21 August 2026, the IBBI public announcement register recorded corporate insolvency resolution processes for Gangotri Textiles initiated by State Bank of India and Quickspace Technologies initiated by Janata Sahakari Bank. Claims for both distressed entities must be submitted by 2 September 2026.

THE READ

Immediate moratorium protections and committee of creditors formation now take effect for these newly admitted entities. Operational creditors must act swiftly before the looming claims deadline to secure their voting and distribution shares.

SEBI Releases Retail Derivatives Behavior And Profitability Study

On 20 August 2026, SEBI published an empirical study examining retail participation and trading profitability in equity derivatives as part of its ongoing risk agenda. On the same date, the regulator issued operational circulars enabling digital powers of attorney for FPIs and streamlined KYC information sharing.

THE READ

Empirical studies from the regulator signal impending structural interventions in the retail derivatives segment. Market intermediaries must prepare compliance frameworks for tighter risk disclosures while benefiting from streamlined onboarding rules.

THE THROUGH-LINE

This week highlights a sharp regulatory split between criminal accountability in real estate development and formal progression in corporate restructuring. While enforcement agencies aggressively target fund diversions in stalled housing projects, institutional tribunals continue to streamline mergers and insolvency admissions. Stakeholders must simultaneously manage heightened investigative scrutiny and strict statutory claim deadlines.
