INSOLVENCY · NCLT MUMBAI

NCLT declares Videocon promoter Venugopal Dhoot personally bankrupt

On 5 November 2026 the NCLT Mumbai Bench admitted State Bank of India's bankruptcy petition against Venugopal Nandlal Dhoot, former promoter of Videocon Industries, appointed a bankruptcy trustee and ordered his estate to be divided among creditors. SBI's claim under his personal guarantee, with interest and penalties, stood at ₹12,668.06 crore as of 30 September 2026.

WHO IS EXPOSED · WHAT TO CHECK

Any promoter who has signed a personal guarantee for company borrowings is exposed, because once the company fails the lender can come for the guarantor's own estate. This week, list every personal guarantee you or a family member has signed and check which of those loans is already in default.

ENFORCEMENT · PMLA COURT DELHI

ED prosecutes Raheja promoters over ₹1,353 crore homebuyer funds

On 6 November 2026 the Enforcement Directorate filed a prosecution complaint before the PMLA Special Court at Saket, New Delhi, against Raheja Developers Ltd, promoters Navin Raheja and Nayan Raheja, family members Nirmal Raheja and Nayana Singhania, and 18 others. ED alleges ₹1,353.26 crore in proceeds of crime, including ₹1,175.86 crore diverted from project, escrow and RERA accounts and ₹177.40 crore collected in cash, and seeks confiscation of attached properties with a reported market value of ₹2,399.65 crore, though these remain allegations rather than findings.

WHO IS EXPOSED · WHAT TO CHECK

Real estate promoters and the spouses and children who hold shares, directorships or property in group entities are exposed, because ED is naming family members and not just the company. This week, confirm that every rupee collected from buyers sits in the project's designated RERA account and that no cash is taken outside registered agreements.

SECURITIES · SUPREME COURT

Supreme Court makes Linde hand Praxair valuation to SEBI

The Supreme Court directed Linde India Ltd to share with SEBI its valuation report on the Praxair transaction, as reported on 6 November 2026, in a dispute over whether the arrangement is a material related-party transaction, meaning a deal with its own group that minority shareholders must approve. The fight traces back to a ₹417 crore related-party resolution that 89.23 percent of voting shareholders rejected in March 2026, with parent The BOC Group Ltd not voting, and Linde shares rose as much as 12 percent on the news.

WHO IS EXPOSED · WHAT TO CHECK

Promoters of listed companies that trade with their own group entities are exposed, because the regulator can now reach the valuation behind the deal and not just the board minutes. This week, check whether any group transaction crosses the materiality threshold and whether its valuation report would hold up if SEBI read it.

M&A · BSE AND NSE DISCLOSURE

Adani Ports signs €2.56 billion debt-funded Evos buyout

On 5 November 2026 Adani Ports and Special Economic Zone Ltd agreed to buy 100 percent of Netherlands-based Evos B.V. from sellers F.S. Amelia S.à r.l. and Evos Manco B.V. at an enterprise value of about €2.56 billion, with equity consideration of €1.184 billion subject to closing adjustments. MUFG has committed up to €2.8 billion of financing, the company's presentation puts pro forma net debt at 2.76 times EBITDA, a measure of borrowings against operating earnings, and completion is indicated at 15 months pending Indian and foreign approvals and works-council consultation.

WHO IS EXPOSED · WHAT TO CHECK

Family offices, bond holders and minority shareholders invested in listed promoter groups are exposed, because the new borrowing lands on the Indian balance sheet before the overseas asset is owned. This week, check whether your exposure to the group assumes this deal closes and what the debt load looks like if it is delayed.

SECURITIES · SAT

SAT sets aside SEBI's ₹26 crore Coffee Day penalty

Coffee Day Enterprises Ltd announced on 6 November 2026 that the Securities Appellate Tribunal set aside SEBI's ₹26 crore penalty over alleged diversion of funds from seven subsidiaries to Mysore Amalgamated Coffee Estates Ltd. SAT also directed the company to take steps to recover the dues, and the date of the order and any recovery amount were not available in the company's announcement.

WHO IS EXPOSED · WHAT TO CHECK

Promoters and independent directors of listed companies that have advanced money to promoter-linked entities are exposed, because beating the penalty does not end the duty to bring the money back. This week, list every outstanding advance from your company or its subsidiaries to a promoter concern and check that it is documented and actually recoverable.

THE THROUGH-LINE

Every item today is about the wall between the business and the people behind it, and about courts and regulators pulling that wall down: a guarantor's own estate, a promoter's wife and daughter, a parent company's valuation, a group's leverage, and money parked with a promoter concern. If you run a company, assume that what the company did will be examined as what you did, and get the paperwork in order before someone else reads it.

If any of these touches your company or family, message me the number. I will tell you where you stand.
